Reaching Across the Miles...

The **Reaching** segment of the Across the Miles series focuses on ministry opportunities for congregations interested in supporting members in the Armed Services.

Praying Across the Miles...

The **Praying** segment of the Across the Miles series focuses on faith formation opportunities for service members and their families.

Devotions for Parents & Children Separated by Distance

This simple devotional provides weekly and special - occasion prayers for both parent and child. No matter where a parent is deployed, they and their children can be saying the same prayers at the same time. This resource has activities that allow a child to personalize their devotional.

Devotions for Adult Family Members Separated By Distance

This devotional is to support service members and their loved ones who are confronted with separation due to deployment. This devotional is intended to assist those impacted by deployment as they face the life's daily challenges, ever changing emotional conditions and spiritual challenges.

There are two sizes of each devotional booklet; 8x11 to be used by family members and the 3x5 booklet which conveniently fits into the Service Members uniform pockets. Both can be ordered from EBaR.

Reading Across the Miles...

The Reading segment is an Episcopal faith formation companion piece to the “Growing, Learning, Understanding” materials produced by the Military Child Education Coalition.

The selections are chosen to convey on a child’s level the various issues facing military families. Books featured in the series can also be ordered from EBaR
