### Hello!

Have you renewed your yearly NAECED membership?

Periodically we get notes from people who have been dropped from the wonderful listserv. It's sometimes because their membership has lapsed.

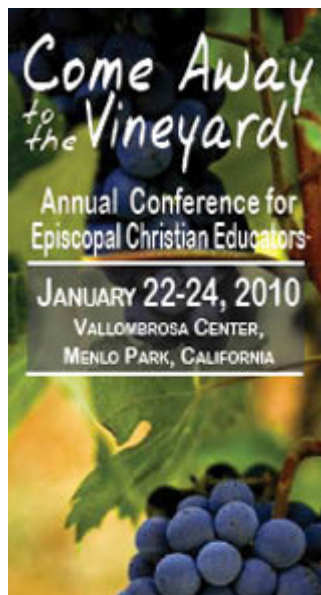

We now have on-line renewal available. Don't miss any of the wisdom being shared on the listserv! For more information, see the [NAECED website](#) or contact [Laurie Bailey](#).

Your Board of Directors hopes to see you all next month at the NAECED Tapestry Conference! In the meantime, our best wishes for a blessed Advent season.

## General Convention 2009 Wrap up

Every three years, the lay and clergy leadership of the Episcopal Church meets in General Convention, to make decisions that will shape the future of our denomination for many years to come.

Thanks to the efforts of many of YOU, a [Charter for Lifelong Christian Formation](#) was passed at General Convention this past summer. Many Diocese have already begun putting the Charter to work by passing resolutions. At the national church level, the Standing Commission for Lifelong Christian Formation -- including NAECED members Janie Stevens and Laurie Bailey -- has begun to explore how to turn words into meaningful actions on behalf of children, youth and adults.

Many of us were encouraged by the passage of legislation about health insurance and pension benefits. [Church Pension Group](#) is hard at work to implement exciting changes that will benefit all of us, clergy and lay, who work at least 30 hours a week.

MUCH good work was done over the course of our triennial General Convention in Anaheim, California! For a wrap up of General Convention, click [here](#).
